Resident of the Month

Robert "Bob" Ray

Bob and his wife Irene Ray had five children, including twin boys. Bob was born in Chicago and worked as a truck driver for Sinclair Oil. In 1971 he transferred to Green Bay and the family made the move to Alaska, Wisconsin that same year. The house they purchased was out in the country on 40 acres and was a retired farm. They loved their life there. Bob was an avid golfer and for decades was a member of the Kewaunee Men's League at the Alaskan Motor Inn. After retiring from his career, he worked at the golf course there maintaining the course and the equipment. He worked part-time well into his 80's! As a teenager, he worked a summer on his Uncle Salmon's boat in Alaska. He enjoyed being on the open water and had fond memories of the experience. In his 50's, he had the opportunity to sail with an old friend. They sailed from the Caribbean Islands to Tahiti. En route, he sailed through the Panama Canal and stopped at the Galapagos Islands. Bob is a loyal Chicago Cubs fan! Bob has always tried to cheer people up and make them laugh throughout his life. He married his high school sweetheart, Irene. They were happily married for 69 years!!

Support the Cure

Breast Cancer is the most common cancer in American women, except for skin cancers. It is estimated that in 2020, approximately 30% of all new women cancer diagnoses will be breast cancer. There are over 3.5 million breast cancer survivors in the United States.
